

# Significant Savings on Bionix® Products

Bionix Radiation Therapy Products are now being offered at a highly-competitive price to US Oncology Centers through the Unity GPO.

 Prices locked for three years.

## Bionix® Radiation Therapy Products

 Safe, precise, comfortable care.

For 40 years, Bionix has been improving efficiency and enhancing the patient experience. Our radiation therapy products were specially designed with both practitioner and patient needs in mind.

Order through McKesson for free shipping on orders greater than \$100/order. To request a sample, request a demo and to order: **contact your Bionix representative today.**
